Newsletter December 2015

Dear valued members of our society.

It is with much pleasure that I, Helen, the new secretary/treasurer, can finally sit down and write to you all. Fortunately we have recently re-grouped and have a very dedicated team who are keen to promote our society and help its members where possible.

Firstly I would like to welcome our new members this year, and thank you.

I also invite you all to participate in a free online survey I have created, so that we can understand each other better. Copy this link into your internet browser.

Highlights We welcome new members, and the Annual Amputee Federation Conference is 15-17 April 2016 in Christchurch

I request that you all bear with us as we integrate a new database for our members which includes when subscriptions were paid. We would like to bring all subscriptions up to date, which as you may remember, it is \$5 a year with December being our roll over month. Please see the attached form and complete as required.

We have a strong presence with Auckland Transport Total Mobility Scheme and our dedicated person Janis Bourne has been doing a lot of great work providing the administrative requirements that allows members 50% discount on taxi travel up to maximum of \$40 If having a Total Mobility Card is something you have been thinking of, please fill in the form and send it back, or drop us an email.
