Newsletter November / December 2013

Editor's note

Greetings friends, this is a small update newsletter which is coming out with your Purpose magazine. From the beginning of 2014, I will endeavour to get a newsletter together every two months to keep you informed of society news, tidbits and events.

The feedback received from members is that the newsletters are enjoyed and on the right track with the mix of content.

For the first time, members with email will receive their newsletter and Purpose online. If you have email but prefer to receive yours the old way, please let me know, at daisym@paradise.net.nz or phone Diane at 06 8774294.

I also welcome news, articles and brief, appropriate notices.

On behalf of the president and committee, I would like to wish all of our members and families, a peaceful and joyous Christmas.

Important Notice

Due to the Privacy Act, it can be difficult to learn of new amputees for our Field Officer, Geoff, to contact. While we appreciate that some will choose not to take up the offer of contact, some may also miss out because we don't know about them. If you hear of an amputee, before or after their surgery, or an amputee who would like a call, for whatever reason, please give them Geoff's number or, if they would prefer, give Geoff their contact details.
